

IS YOUR RESTAURANT A GOOD FIT FOR CHOWNOW?

Run through this quick checklist to see where ChowNow can make the biggest difference for your bottom line.

CHECK WHAT SOUNDS LIKE YOUR RESTAURANT

The more boxes you check, the more room there is for ChowNow to help.

☐

TAKEOUT AND PHONE ORDERS DRIVE YOUR BUSINESS

Call-ins and to-go orders make up a big share of daily sales.

☐

MULTIPLE TABLETS ON THE COUNTER
Direct orders and delivery marketplaces live on separate screens.

☐

NO DIRECT ONLINE ORDERING YET
You're relying on third-party apps alone for online orders.

☐

THERE'S ROOM TO GROW YOUR AVERAGE TICKET

Online ordering makes it easy for diners to add on and order more.

☐

YOUR WEBSITE COULD WORK HARDER FOR YOU
It's hard to use or it doesn't support online ordering.

☐

CATERING OR GROUP ORDERS ARE PICKING UP
Bigger orders are getting harder to manage by hand.

GOOD NEWS!

Already using DoorDash or Uber Eats? **You don't have to replace them.** ChowNow works alongside the major marketplaces while helping you grow more direct, commission-free orders.

KEEP MORE PROFITS

No commission on direct online orders. Keep more of every order placed through your ChowNow ordering page.

GROW SALES OVER TIME

Promote specials, loyalty programs, and seasonal offers straight to your diners.

WORKS WITH YOUR EXISTING POS

20+ integrations make setup easier and keep operations running smoothly.
